Interested parties may recommend others or themselves for these positions by submitting a form available from the city clerk's office. Applications must be submitted to the city clerk's office on or before noon on Wednesday, November 19, 2014. Applications will appear in the public agenda at which time the commission will discuss recommendations, and may make nominations and vote on appointments.

Duties of Board

The essential purpose of zoning is to control community development by regulating land use. Zoning refers to the legal restrictions placed on the use of private land. These restrictions specify how the land may be used; i.e., what kinds of buildings may be built, what activities are permissible, how much yard space there must be, etc.

The board of zoning appeals acts on questions arising from the administration of the zoning ordinance, including the interpretation of the zoning map. The board hears and decides appeals from and reviews any order, requirement, decision or determination made by the building official.

All members of this board are subject to the provisions of the City of Birmingham Ethics Ordinance and the filing the of the affidavit and disclosure statement. Questions regarding this may be directed to the city clerk.
