Since January 1, 2020, the City of Alpine Police Department, in accordance with the Texas Racial Profiling Law (Texas Code of Criminal Procedure, Art. 2.132), has been collecting police contact data for the purpose of identifying and responding, if necessary, to concerns regarding racial profiling practices. It is my hope that the findings provided in this report will serve as evidence that the City of Alpine Police Department continues striving towards the goal of maintaining strong relations with the community.

The components of this report provide statistical data relevant to the public contacts related to traffic stops made during the period of 1/1/2020 thru 12/31/2020. The information in this report compiled from data received or generated by dispatchers and officers of the department and is accurate to the best of my knowledge. The data collected will be submitted to Texas Commission on Law Enforcement (TCOLE) as the Racial Profiling Report and a copy of this report is attached for review.

It is my sincere hope that the channels of communication between community leaders and the City of Alpine Police Department continue to strengthen as we move forward to meet the challenges of the future.

Sincerely,

Robert Martin  
Chief of Police
