ACTION

- a) Approve a recommendation to the City Council amending Chapter 10 – Animals; establishing a uniform fee structure for all animal services fees; amending permit requirements for kennels, private boarding, boarding as a business, raisers or breeder of dogs, cats, and other animals. (J. Stewart, Animal Services Supervisor)

BACKGROUND

- At the recommendation of City Administration, Jennifer Stewart, Animal Services Supervisor, has gone through the animal ordinances to implement a streamlined fee structure.
- The updated fee structure will allow the City Council to update fees by resolution vs having the fees updated by ordinance. This creates a greater value to the City because the it will save the City money for not having to codify the fees in the code of ordinances.
- The updated fee structure will also be valuable to both residents and City staff to be able to see what fees are charged for what services. The fee structure will match the other fee structures that the City has implemented for both the Utilities Department and the Building Services Department. Fees will be available at www.cityofalpine.com/fees.
- Other updates were implemented throughout different portions of the code to better improve readability, form, and content throughout the animal ordinances.
- If approved, City Administration will schedule the proposed ordinance for City Council consideration.

**ANIMAL ADVISORY BOARD
MEETING AGENDA ITEM COVER MEMO
APRIL 11, 2023**

ACTION

- b) Make a recommendation regarding fee schedule and fee amounts for the Animal Services Department. (J. Stewart, Animal Services Supervisor)

BACKGROUND

- At the recommendation of City Administration, Jennifer Stewart, Animal Services Supervisor, has gone through the animal ordinances to implement a streamlined fee structure.
- The updated ordinance provides that Animal Services Department fees will be approved by City Council resolution.
- The updated fee structure will also be valuable to both residents and City staff to be able to see what fees are charged for what services. The fee structure will match the other fee structures that the City has implemented for both the Utilities Department and the Building Services Department. Fees will be available at www.cityofalpine.com/fees.
- The fees are being presented for consideration by the Animal Advisory Board so that they may make an official recommendation to the City Council regarding fee amounts charged in the Animal Services Department.
- If approved, City Administration will schedule the proposed fees for City Council consideration at the second and final reading of the ordinance that implements these changes.
