### **AIRPORT RUNWAYS SHUTDOWN UPDATE**

Alpine Casparis Municipal Airport project, TxDOT CSJ. No. 2224ALPIN, for airport lighting improvements has a new timeline set for closure of both runways 01/19 and 05/23. The new schedule for closure is:

Sunday, May 21, 2023 7:00am – 5:30pm

Monday, May 22, 2023 8:00am – 4:00pm

An additional 6-8 hours from another day may be required at a later date not yet determined. We will post notification for that time if needed. Emergency services will be allowed to conduct business during these closure times. Runway 01/19 will remain closed until the project is completed.

We apologize for the short notice and any inconveniences, however with this new timetable we will not need to close the airport for the 1-3 weeks as previously scheduled. NOTAMS have, and will be posted to keep everyone informed as well as signs within the terminal.

During runway closures, helicopters not flying the approaches will be able to land and depart during this project as allowed by their company/personal rules and regulations.

If you have any questions, please let us know.
