# Update With Dr. Escovar - PHA

---

Current Statistics – Website Overview

Feedback from Weekend Testing – How many tested and when results are due

Current recommendations from PHA to County and City

# Governor's Order GA-18, GA-19 & GA-20

---

## Impacts of Report

### Changes to the Tiered System we rolled out

### Attestation from County on increasing from 25%-50% on Restaurants and Retail

- How is this accomplished
- Will the County Judge pursue? – timing if so

### Matrix on Restaurants/Bars

- 51% Factor – Red or Blue Sign must be posted – TABC Roster
- 25% Occupancy – How we are managing

### City Attorney – Rod Ponton

- Feedback from Opinion Letter Today

# What Can We Do

---

Follow the CDC Guidelines, including wearing Masks in public

Go out when needed for supplies, but limit excursions

- Infection rates in State of Texas have stabilized at best (Dr. Escovar provided the statistics)
- Practice Social Distancing

City Hours of Operation

Protect our Elderly

- Big Bend Area Supply Assistance (found on Facebook)
- BigBendAid.Org
- Big Bend Citizens Alliance
- Not Everyone has internet – Other ways to get information into the hands of our older population
  - Are You OK, Sunshine House, Food Pantry
- **Our Goal is to make it easy as possible for our older population to get supplies and not have to go out in public**

# Don't Forget This Saturday May 2nd
