**CITY OF ALPINE
REQUEST FOR PROPOSALS (RFP)
ROAD MATERIALS 2023-04-02**

Sealed Proposal Due: MAY 9, 2023 4:00 pm

I. PURPOSE

The City of Alpine (City) is soliciting Request for Proposals (RFP) for Road Materials. Sealed proposals are due to the City Secretary's Office by May 9, 2023 at 4:00 pm. Sealed Proposals will be opened May 9, 2023 at 4pm. In order to be considered, the sealed proposal must address each of the requests for information in the Summary of Qualifications section.

II. SERVICES REQUIRED

This is a request for proposal for Road Materials. The City is requesting proposals for multiple types of material. (See Exhibit "A" for detailed list of material and quantity)

It is the City's preference to award the contract to one vendor, but the City reserves the right to choose secondary vendors also. An RFP allows for price negotiations after the bid opening, so the City of Alpine has chosen this bid format as a way of protecting vendors against future price increases. We have also built into this bid the ability to increase or decrease prices based on market conditions and verifications as listed below:

Market Conditions

The City is aware of extreme market fluctuations occurring for these products, so we are striving to arrive at a bid format that satisfies state bid law and also protects vendors against future price increases. To protect the vendor and the City, we will ask your company to establish a baseline price for the commodities listed. Prices can be negotiated after bids are opened. Then, based on increases and decrease that occur to the listed products over the term of the agreement, the City will allow increases or decreases in the same amount as the market changes.

However, the winning vendor(s) will be asked to provide documentation proving a change in price has occurred. If prices decrease over the term of the agreement, the winning vendor(s) will be expected to pass along those decreases in pricing. The City will assume that by submitting a bid under this format that your company agrees to this market protection. If you have a different method of price protection, please include your information in your response.

III. GENERAL INFORMATION

The City of Alpine is a home rule City located in Brewster County and has a population of approximately 6,000 residents. The City Operates under a Council-Manager form of government with a Mayor, five (5) Council Members, and a City Manager.
