

## **Architectural Review Committee**

City Hal Conference Room 202

151 Martin St.

248.530.1880

Monday, June 30, 2014

### **Notes**

Meeting called to order at 8:30 am.

Present: Larry Bertolini, Scott Bonney, Christopher Longe  
City Staff: Joe Valentine, City Manager  
Paul O'Meara, City Engineer  
Brendan Cousino, Assistant City Engineer  
Amanda Thomas, Management Analyst

Mr. Valentine and Mr. O'Meara briefly introduced the issues involved in reconstructing the handicap ramp at the NW corner of S. Old Woodward Ave. and E. Brown St. and the difficulties involved with the entrance to the current property at this site.

The preliminary design was discussed and the Committee feels there are several challenges presented with this project. The Committee feels that it is best to keep this study ongoing to work on a solution that best fits the unique circumstances at this corner. In addition, Mr. O'Meara will contact the property owner to discuss the issue and consider additional alternatives.

Meeting was adjourned at 9:01 am.
