## CITY COMMISSION GOALS

The following long-term goals were adopted by the City Commission in 2016.

**Provide sound leadership and responsible governance to maintain financial stability.**

- Continue to utilize public resources in an effective, efficient manner adapting to current and future economic trends and conditions.
- Balance community needs and desires with available resources.

**Be innovative and responsive in how services are provided to the community.**

- Seek new and collaborative approaches to improve the effectiveness and efficiency of service delivery within an environment of competing community interests.
- Continue to provide the highest levels of customer service in an economically sustainable manner.

**Support the vitality of both the residential and business communities that depend upon each other for success.**

- Continue to encourage and recognize citizen involvement for the common good.
- Support continued private investment throughout the City.

**Cultivate a safe, healthy, and dynamic City.**

- Foster an innovative and inclusive environment that attracts all people to live, work, shop, and play.
- Maintain a vibrant and walkable community.

**Continue to be proactive with infrastructure maintenance programs and reinvestment in cost-effective improvements to roads, sewers, water mains, parking, parks and public facilities.**
