# MEMORANDUM

**DATE:** January 9, 2023

**TO:** Thomas M. Markus, City Manager and City Commissioners

**FROM:** Mary M. Kucharek

**SUBJECT:** Informational Meetings

---

The question presented is whether Commissioners may attend an open house styled information session regarding South Eton construction. The answer is "yes" with conditions.

A Press Release was issued on Friday, January 6, 2023 at 3:45 p.m. announcing that there would be a South Eton construction project open house event on Tuesday, January 17, 2023 from 6:30 – 8:30 p.m. at the Department of Public Services building.

As the Commission is aware, we have requested that individual Commissioners not attend committee and board meetings as the Supreme Court has stated that when the legislative body of a municipality is present, their mere presence may be influential to decisions that are made by board members and/or committees. Further, there could be violations of the OMA with their attendance to such meetings. The OMA, however, does not apply to meetings which are social, or conferences wherein no decisions are being made, but are rather informational. Even if a quorum is present, as long as the legislative body does not get involved in discussions of the public policy among the members, and the board is not deliberating toward or making a decision, the quorum's presence is acceptable. The OMA also allows for a board quorum to attend workshops, seminars, informational gatherings or professional conferences designed to convey information of interests common to all who are participating. Gatherings that are designed to receive input from officers or employees of the public body does require that the gathering be held at a public meeting.

The purpose and format of this workshop will be for the City's Engineering, Planning and Police Departments to provide information and to receive input from the public in general as they move forward with this construction project. In speaking with the Engineer, input will be requested from all participants of the public as they make final decisions regarding a bike path. To this end, because this decision will ultimately be coming before the Commission, while Commissioners may attend this public meeting, commentary and discussion amongst the Commissioners should be absolutely avoided. Each Commissioner may provide their input and their opinion when the time comes as the ultimate decision regarding the bike path will take place at a public Commission meeting. That is the appropriate time for a Commissioner to voice his/her opinions, in an open forum and amongst their fellow Commissioners. As it has often

been said, a Commissioner should be holding their vote and opinion until the moment of casting said vote, and their decisions should be discussed openly in the proper Commission meeting forum. If a Commissioner believes that it would be impossible for him/her to simply listen and receive the information and become knowledgeable about the project, or feels the need to discuss the project publicly, then I would advise that you do not attend the meeting. If you believe you can attend the meeting to only receive information and become knowledgeable about the project and gain understanding of how it will impact your home and family, the OMA would allow your attendance.

## MEMORANDUM

---

**DATE:** December 13, 2021

**TO:** Thomas M. Markus, City Manager and City Commission

**FROM:** Mary M. Kucharek

**SUBJECT:** Commissioners Attendance at Various Advisory Boards and Committees

---

### INTRODUCTION:

At the December 6, 2021 regular Commission meeting, the City Commission discussed the best practice regarding Commissioners' attendance at various boards and committees.

### BACKGROUND:

As the Commission recalls at the December 6, 2021 meeting, a legal opinion and the City Manager's opinion was provided discouraging commissioners from attending various boards and committees either in person or with their names advertised remotely. A legal opinion was discussed at the meeting of December 6, 2021, and it was determined that a policy would be adopted by the City Commission stating commissioners should refrain from appearing at the various boards and committee meetings in person or with their names advertised remotely.

### LEGAL REVIEW:

The Attorney General of Michigan and Michigan Courts have examined these issues in the past. In 1981 the Attorney General made the determination that it would be improper for commissioners that possess appointment powers over members of boards and committees to appear before boards of committees regarding the business of that board, particularly if they have a personal interest. Also, courts have determined that when the appointees of those serving on committees and boards are conducting their business, the presence of those who appointed them causes an imposition of duress not as a matter of law, but in matters of potential consequence. The courts have stated that "the presence of a city commissioner before boards bring with it the presence and powers of his office."

### FISCAL IMPACT:

None.

**PUBLIC COMMUNICATIONS:**

None.

**SUMMARY:**

The City Commission would desire to adopt a Policy of Procedure which prohibits commissioners from appearing at various boards and committee meetings.

**ATTACHMENTS:**

- Report of December 6, 2021
- Resolution
- Amendment to Rules of Procedure
- List of Meetings, taping or access for meetings remotely and after, and ability to review meetings online.
- Instructions to change your name on Zoom.

**SUGGESTED COMMISSION ACTION:**

Make a motion adopting a Resolution to adopt a policy stating that commissioners will not attend various advisory board and committee meetings.

## REPORT

---

**DATE:** December 6, 2021  
**TO:** Thomas M. Markus, City Manager and City Commission  
**FROM:** Mary M. Kucharek  
**SUBJECT:** Commissioners Attendance at Various Advisory Boards and Committees

---

The question has been posed, whether it is advisable for City commissioners to personally attend various advisory boards and committees of the City.

In order to analyze this issue, we must be cognizant of not only impressions and unattended consequences of the presence of commissioners, but the Open Meetings Act as well. Keeping in mind that the basic intent of the Open Meetings Act is to require commissioners to be transparent while conducting business at open meetings of the City Commission. A meeting means the convening of the Commission when there is a quorum present for the purpose of deliberating or rendering a decision on public policy, and all meetings must be considered open to the public with proper notice given to the public stating the date, time and place of all commission meetings. If a commissioner were to address one of the boards or committees while a quorum of the Commission was present, it could be argued that a meeting occurred if the commissioners had an exchange between two (2) members. An exchange between commissioners could be deemed to be deliberation towards a decision, even if that decision was not being made at the committee level but at a future Commission meeting.

Courts have examined these issues in the past and, likewise, the Office of the Michigan Attorney General. In 1981 the Attorney General made the determination that it would be improper for commissioners that possess appointment powers over members of boards and committees to appear before boards of committees regarding the business of that board, particularly if they have a personal interest. Also, courts have determined that when the appointers of those serving on committees and boards are conducting their business, the presence of those appointers causes an imposition of duress on the members of the board not as a matter of law, but in matters of potential consequence. The courts have stated that "the presence of a city commissioner before boards bring with it the presence and powers of his office."

While the intended purpose of commissioners to attend the various boards and committees of the City is to observe, to be aware of, as well as to learn what is happening in the community, those purposes and intents can easily be achieved by either watching the proceedings anonymously on zoom or watching at a later date as all open meetings are recorded. Therefore, to avoid even the appearance of an opportunity of potential influence or duress upon appointees, and to avoid the remote opportunity to violate the OMA, it is my recommendation that commissioners refrain from appearing at the various boards and committee meetings in person or if on zoom with their names.

**A RESOLUTION CONCERNING A POLICY REGARDING**  
**COMMISSIONERS' ATTENDANCE AT ADVISORY BOARDS AND COMMITTEES**

At a meeting of the City Commission of the City of Birmingham, Oakland County, Michigan, held on the 13<sup>th</sup> day of December, 2021, at City Hall, 151 Martin Street, Birmingham, MI, 48009.

**WHEREAS**, at the December 6, 2021 regular Commission meeting, discussions were had regarding the best practice for commissioners to not attend various advisory boards and committees; and,

**WHEREAS**, legal counsel submitted a legal opinion to the City Commission at the December 6, 2021 Commission meeting advising commissioners to refrain from appearing at the various boards and meetings in person, or if on zoom with their names, which is attached to this Resolution; and,

**WHEREAS**, the State of Michigan, through its Attorney General and courts have determined that there is an opportunity to violate the Open Meetings Act when a quorum of Commissioners attend various advisory boards and committees; and,

**WHEREAS**, the opportunity for deliberation outside of a formal Commission meeting could occur at one of these advisory boards and committees; and,

**WHEREAS**, the mere presence of those with the power to appoint causes an imposition of duress on members of boards, and as a consequence, their mere presence and powers of their office is detrimental to advisory boards and committees; and,

**WHEREAS**, the City Commission has agreed to create a policy against commissioners' attendance at various advisory boards and committees; and,

**WHEREAS**, the City Commission on October 13, 2021 has reviewed the best practices and has determined that the commissioners will not attend advisory boards and committees.

**THEREFORE, BE IT RESOLVED**, that the Birmingham City Commission adopt the following amendment to add to the Rules of Procedure:

**Commissioners' Attendance at Boards and Committees**

It is the decision of the Commission that to avoid the appearance or a possibility of potential influence or duress upon appointees, or to avoid the possibility of violating the OMA, commissioners shall refrain from appearing at various boards

and committees in person or with their names addressed upon remote attendance.  
Exceptions may occur upon presentation and vote of the entire Commission.

## **CITY OF BIRMINGHAM COMMISSION**

### **AN AMENDMENT TO THE CITY COMMISSION RULES OF PROCEDURE TO ADD A POLICY CHANGE REGARDING COMMISSIONERS' ATTENDANCE AT BOARDS AND COMMITTEES**

The City of Birmingham Commission Rules of Procedure shall be amended to add a new section entitled Commissioners' Attendance at Boards and Meetings, and shall read as follows:

#### **Open Meetings**

Regular meetings and special meetings of the Birmingham City Commission, which are normally held in the Commission Room of the Municipal Building, 151 Martin Street, shall be open to the public, in compliance with the Michigan Open Meetings Act.

It is the desire of the city commission to conclude all business not later than 11:00 PM. The commission will consider this goal during their deliberations.

#### **Closed Sessions**

All meetings of the Commission shall be open to the public and shall be held in a place available to the general public. A closed session, a meeting or part of a meeting that is closed to the public, may be called for the permissible purposes included in the Open Meetings Act (Act 267 of 1976 as amended). Examples of such purposes include personnel evaluation, collective bargaining, purchase or lease of real property, and pending litigation.

#### **Agenda**

The Commission Meeting Agenda, including minutes, warrants, correspondence and reports shall be distributed to the City Commission on or before the Friday prior to the meeting date. Agendas shall also be made available for public review in the City Clerk's Office and on the City website. Minutes shall not normally be read as part of the meeting.

#### **Minutes**

The minutes shall include the mandatory information as required by the Open Meetings Act 267 of 1976; Section 15.269. The minutes shall reflect an overview or brief summary of the subject matter and any Commission comments that may have had an effect on the outcome. Commission

comments may include a summary in support or opposed and discussion which may be relevant for future reference.

The minutes shall include a participating citizen's name and position on an issue when there is public comment during the commission meeting in all of the following instances: (1) a public hearing, (2) an agenda item or (3) recognition of citizens in the audience.

## **Presiding Officer**

The Mayor shall preside at all meetings of the City Commission. In the absence or disability of the Mayor, the Mayor Pro-Tem shall preside. In the absence or disability of both the Mayor and the Mayor Pro-Tem, the Commission shall elect one of its members to act as presiding officer.

The Mayor shall possess all the rights and powers of any other Commissioners; he or she shall not have the right of veto.

## **Conduct of Business**

Commission Meetings shall be governed by the rules contained in the most recent edition of Robert's Rules of Order, Newly Revised in all instances in which they are applicable and not inconsistent with the statutes of the United States or the State of Michigan, or with the Charter or adopted of the City of Birmingham or these Rules of Procedure.

Commissioners should be recognized by the presiding officer before speaking.

## **Commissioners' Attendance at Boards and Committees**

It is the decision of the Commission that to avoid the appearance of or a possibility of potential influence or duress upon appointees, or to avoid the possibility of violating the OMA, commissioners shall refrain from appearing at various boards and committees in person or with their names addressed upon remote attendance. Exceptions may occur upon presentation and vote of the entire Commission.

## **Voting**

Birmingham's City Charter states that four members of the City Commission shall constitute a quorum; that the Commission shall act only by ordinance or resolution, that is, an official action in the form of a motion; and that a minimum of four votes shall be required to adopt any such motion.

For all Boards, Commissions or Committees appointed by the City Commission the minimum number of votes shall be the same as the quorum number for that body. State statute, City of

Birmingham Charter or ordinance may require a larger number of affirmative votes to approve certain actions for either the City Commission or appointed Boards.

The City Commission may take action on any motion either by voice or by roll-call vote. A roll-call vote shall be taken if requested by any Commissioner, the City Clerk, or any member of the public in attendance.

A motion may be amended or modified by combining the original motion and the modifications in one motion, provided all City Commission Members agree to include the "friendly amendment" in the original motion.

A Commission member may abstain from voting on a motion if he or she: 1) has a conflict of interest; or 2) lacks sufficient information about the issue to be decided. Any Commissioner who abstains from voting on a motion shall state, for the record, at the outset of the discussion both his or her intention to abstain and reason for doing so. Should the need to abstain become clear during discussion, the member shall state his or her intention at that time. The Commissioner shall then be prohibited from participating in any further discussion or debate on the issue.

After a motion has been voted upon, any Commissioner who voted on the prevailing side may move to "reconsider" said motion at the same meeting, or at the next regularly scheduled meeting, provided no action has been taken as a result of the previous vote.

General consent or consensus (in lieu of a motion) may be used to give direction. In this case, the minutes shall indicate that a majority consented.

## **Citizen Participation**

During any City Commission meeting, any person may question or comment upon any specific agenda item at the time the City Commission considers that item.

The public shall also be invited to make comments on any item not on the meeting agenda under the agenda item, "Meeting Open To The Public For Items Not On The Printed Agenda."

No person shall address the City Commission without first having been recognized by the presiding officer. Once recognized, the member of the public shall go to one of the available microphones, and state his or her name and community of residence before speaking.

Speakers may be requested to limit their comments so as to provide opportunities for comments from all interested persons. In particular, no member of the public shall normally be permitted to speak a second time on the same issue until all others wishing to make a presentation on the subject have had an opportunity to do so.

If any person becomes loud or unruly, the presiding officer may rule that person out of order and may forfeit that person's opportunity to speak further. A person may also be expelled from the meeting for breach of the peace.

## **Commission Vacancies**

If a vacancy occurs on the City Commission, it shall be filled by a vote of the remaining Commissioners (not including the member who is vacating his or her seat). The vote to fill a vacancy shall be taken during a public meeting held within the time prescribed by State Law. Candidates for a vacant seat need not have previously served on, nor sought election to, the Commission.

The person selected to fill a vacancy shall serve only until the next following general election, at which time any remaining unexpired term shall be filled by the voters.

## **Appointment Procedures**

No member of the City Commission shall serve on any Board of the City of Birmingham, except the Retirement System, unless membership is required by Michigan Statute or the Birmingham City Charter.

When the City Commission desires to fill a vacancy on an appointed City of Birmingham Board, Commission or Committee, the City Clerk shall give notice to the public by publishing the intent to fill the vacancy on the City website.

If the number of persons nominated for appointment to a City Board, Commission or Committee does not exceed the number of positions to be filled, the City Commission may use a voice vote. If the number of nominations exceeds the number of positions to be filled, nominees shall be voted upon in the order in which they were nominated, either by voice or by roll-call vote.

If no nominee receives the required four votes for appointment, the process of nomination and voting may be repeated either at the same meeting or at a subsequent meeting. If the Commission desires, the position may be re-noticed.

Requests for members of the City Commission to serve on non-city bodies shall be given to the Mayor, who shall make such information available to all Commissioners. Members shall indicate their interest in such positions to the Mayor and the appointment shall officially be made at a public meeting.

## **Amendment or Suspension of the Rules of Procedure**

These rules may be changed at any meeting of the City Commission by a majority vote with notice at the previous meeting or by a 2/3 vote (5) without notice.

## MEMORANDUM

---

**DATE:** December 13, 2021

**TO:** Thomas M. Markus, City Manager and City Commission

**FROM:** Mary M. Kucharek

**SUBJECT:** National Lawsuit Regarding Opioid Manufacturers and Deliverers

---

### INTRODUCTION:

A national lawsuit was filed on behalf of all states holding accountable four (4) opioid manufacturers and deliverers. A settlement has been reached by each of the 50 states' Attorney General, and the City of Birmingham has been named as a qualifying city that has been affected by the opioid crisis, and may opt in to participate and receive monies for certain preventative and treatment opioid related activities.

### BACKGROUND:

Four (4) defendants were named in a national litigation including: Johnson & Johnson (an opioid manufacturer, Amerisource (an opioid distributor), Cardinal (an opioid distributor), and McKesson (an opioid distributor). A settlement has been reached wherein up to twenty-six billion dollars (\$26,000,000,000) is to be paid to state, county and local municipalities over eighteen (18) years as long as maximum participation is obtained. There are two (2) parts to the Settlement Agreement: 1) Injunctive Relief – meaning there are serious consequences for future activity in the opioid market against these four (4) defendants; and, 2) Payments to state and local governments. Johnson & Johnson must discontinue its opioid sales for at least the next ten (10) years, and discontinue lobbying activity concerning opioids. There is also an establishment of a clearing house for distributing opioids.

In Michigan, specifically, the proceeds of the money will be split fifty percent (50%) to local governments and fifty percent (50%) to the State of Michigan. From the fifty percent (50%) that is allocated to local governments, there are deductions for a special circumstance fund that will be created, administrative expenses and attorney fees.

The funds to be received by the City may be used in a number of ways which you will find as an attachment to this memo. The City of Birmingham was listed by the state as an affected city. Each city was determined to have been affected by the opioid crisis by the state, not by the city itself. To become part of this settlement, the City of Birmingham had to register with the state and approve and execute the agreements also attached to this memo. The Agreement must be signed and submitted for participation before January 2, 2022 in order to receive the funds. There will be two (2) payments received by the City of Birmingham. The first payment as early as April of 2022, and the second as early as July of 2022.
