City Planner Dupuis reviewed the item.

Mr. Deyer said he would want to create parameters regarding permissible locations, sizes, verbiage, types of paint, primers, and ongoing maintenance responsibilities.

Chairman Henke said the Public Works Board has already defined some of those parameters. He also cautioned the DRB against trying to legislate what can be defined as 'art'. He said the DRB could subjectively determine which proposals are appropriate. Chairman Henke ventured that it would be preferred by the City Commission if the DRB incorporates fewer details into the ordinance itself.

Ms. Dukas said she would not be in favor of the proposal as it stood.

Mr. Deyer said he would not be in favor of the proposal without relatively detailed guidelines.

Mr. Willoughby said he was in favor of the proposal with some guidelines provided. He concurred with Chairman Henke that the DRB should not attempt to legislate the definition of 'art'.
