Introduction for Interviews

These interviews are being conducted virtually by the Retirement Investment Committee to evaluate those applicants who responded to the RFP for Investment Consultant Services for the City of Birmingham's Retirement and Retiree Health Care Plans.

The Committee has provided each applicant with the interview questions that will be used during each interview.

50 minutes will allowed for each interview with a 10-minute break in between:

5 minutes for introductions.

10 minutes for the applicants to present an overview of their proposal

30 minutes for questions from the Retirement Investment Committee

5 minutes for a wrap-up from the applicant.

Final Selection

The Investment Committee will first evaluate the proposals individually. The Committee will then meet to collectively review the proposals and rank the candidates. They will forward a recommendation of the top 2 or 3 candidates to the Retirement Board and Retiree Health Care Fund Investment Committee at their regular meetings on June 11, 2021.

The Retirement Board and Retiree Health Care Fund Investment Committee may then choose to accept the Committee's recommendation and appoint the investment consultant during those meetings. Or, they may choose to schedule a special meeting(s) to interview some or all of the applicants before making a decision.

We will notify you of any actions taken during the June 11 meetings related to the investment consultant proposals.
