

ARE YOU
RENOVATING
OR
DEMOLISHING
A HOUSE?

Your house can be
donated to the
Birmingham Fire
Department for use in
essential training
exercises.

HELP THEM PROTECT YOU!

If you would like more
information about donating
your home or business for fire
fighter training, please
contact Captain Tom Hughes
at the Adams Fire Station at:

THUGHES@BHAMGOV.ORG

Fire Department
DONATE YOUR HOUSE

By:
Jacob and Jonah
Robinson

INFORMATION

- Your project will **NOT** be held up by donating!
- Upon request, training can be done **WITHOUT** any physical damage to your structure.
- **NO REAL FIRE** or smoke is used.
- Any amount of time helps, so it's flexible to your schedule.
- Donating your house to the Fire Dept. for training helps them save lives in a real life scenario.

“During the training, we were able to be at the house and witness first hand not only what it’s like to be a fire fighter in a home filled with simulated smoke, but also several other fire safety and rescue situations.”
