Deceased Individual Found on Train Tracks in Birmingham

BIRMINGHAM, MI, September 24, 2022 – On Saturday, September 24, 2022 at approximately 9:17 a.m., officers were dispatched to the train tracks at the Derby Road Bridge for an individual that was struck by the train. When officers arrived, they located a deceased individual on the tracks. Birmingham Police and the Oakland County Medical Examiner's office are conducting an investigation. The identity of the individual is being withheld pending notification of next of kin.
