Recognition Information

Where specified as the option for recognition, the plaque size is 4 in. x 6 in. The textured background of the bevel edged-plaque is brown. The brass lettering will be in Times Roman.

There is a 2 line minimum, and up to 4 may be added.

Cost per plaque is \$250.

An example might read as follows:

City of Birmingham
In Honor of
The Doe Family
year

Future Projects

Each year, projects are identified to complete phases of approved City plans for streets and parks. With each project, new items become available for purchase through the Recognition Program.

Possible future needs may include bicycle racks, gazebos and picnic shelters for the parks. As the parks and streets throughout the City are upgraded, new features may be added or replaced. Special requests will be reviewed by City staff and directed to the appropriate City board for their consideration.

City of Birmingham

Recognition Program

The Recognition Program has been created so that the City may accept donations in the generous spirit in which they are given, while meeting the needs of the City.

Individuals or groups may wish to commemorate an important person or event in their lives through a donation of a gift that will benefit the entire City of Birmingham for years to come.

These memorials can serve as an act of love or mark special events such as the birth of a child, a wedding, or the loss of a loved one.

This catalog will be updated each year and will contain pictures, descriptions and costs of needed items.

Details of the type of recognition available for each item are also included. Note that prices are subject to change.

For Additional Information call:
