

Parent and Junior Expectations

We are honored to have the opportunity to teach your child the wonderful game of golf. We are always looking for ways to make our programs the best for you and your junior golfer.

To do this there are some clear guidelines and expectations to review for both you and your junior. This allows us to make the most out of the time we get with your junior golfer each week. Open and honest feedback is always encouraged and wanted, as we see the communication line sometimes breaks down between coach-junior-parent.

Expectations for Parents

- On time to session – Arrive at least 5 minutes before the start of class
- On time to golf – Arrive at least 10 minutes before their tee time
- Ask Coaches any questions you have after the session
- Open and honest communication is vital to our success
- Please call Coach if your child had an issue during any session
- Parents are asked to refrain from interacting with Coaches or Juniors during session
- Parents are not allowed at the Coaching area during a session
- Parents are not allowed to accompany their junior while playing golf

Expectations for Junior Golfers

- Ready for session 5 minutes prior to start time
- Ready for golf 10 minutes prior to tee time
- Please have visited the restroom prior to class or golf
- Ready to learn and listen during session
- Safety Procedures – standing in safety zones, holding club upside down, aware of others
- NO talking while Coach is talking
- Asking questions if they do not understand, after the Coach is done talking
- Demonstrating sportsmanship at all times – win or lose
- Willing to try new things and have fun
- Be open to making new friends
- NO horseplay will be allowed at any time
- Taking care of the golf course and practice areas

We want every junior to have a great experience while growing their love for the game of golf and making new friends. We hope that with you and your junior's commitment to our program and reviewing these expectations together, we can keep having more fun and learning valuable life skills.
