The highly transmissible COVID-19 Delta variant is spreading throughout the nation at an alarming rate. As a result, the CDC is recommending that vaccinated and unvaccinated personnel wear a facemask indoors while in public if you live or work in a substantial or high transmission area. Oakland County is currently classified as a substantial transmission area. The City has reinstated mask requirements for all employees while indoors. The mask requirement also applies to all board and commission members as well as the public attending public meetings.

MEMORANDUM

DATE: January 27, 2022
TO: Birmingham Shopping District Board
FROM: Sean Kammer, Executive Director
SUBJECT: Birmingham 8 Theatre Anniversary

The Birmingham Shopping District would like to recognize the anniversary of the Birmingham 8 Theatre building, which celebrates 95 years in the downtown.

Before the building was a movie theatre, it featured live performances. The theatre is now managed by Emagine Theatres, which manages the Palladium movie theatre also in downtown.

Congratulations to the Birmingham 8 Theatre on this milestone anniversary. The Birmingham Shopping District recognizes the significance of this iconic building, which helps make Birmingham so recognizable throughout the region. This special place has helped to make the downtown a vibrant and prosperous place for people to live, work, and visit.

Respectfully submitted,

Sean Kammer
Executive Director

4. APPROVAL OF MINUTES

MOTION: Motion by Astrein, seconded by Pohlod to approve the minutes dated November 4, 2021.

VOTE: Yeas, 10 Nays, 0 Absent, 2

4. BOARD MEMBER COMMENTS

Fehan shared that he had attended Santa Walk. He felt that there was an incredible amount of community support. He thanked Brook for the planning that she did and thanked the police and fire departments for their assistance. He also thanked the stores who participated.

Pohlod told the group that she had reached out to Hockman regarding what had happened in Oxford. They had black ribbon decals printed for distribution to downtown businesses. They are open to ideas from other board members.

5. REPORTS

a. FINANCE REPORT – GERBER

Gerber reported the balance sheet for October shows that, under \$1,500 of special assessments are currently outstanding. The fund balance is approximately \$700,000, which is a health position.

Through October, we are at about 30% of our budget year. The significant contribution from a private source that appears this month is the \$60,000 sponsorship from Chevy for the Birmingham Cruise

Event. Overall, expenditures are about 28% of what was budgeted. Year-to-date we are ahead of where we thought we would be.

b. EXECUTIVE DIRECTOR REPORT - KAMMER

Kammer shared that the Gateway Signage Committee held a meeting on November 8. The group established a purpose and a timeline. They reviewed the plans for the Haynes Square area and looked at the 2004 study. They will also look at what other communities have done.

Kammer also reported that he had worked with the Chamber and attended their annual meeting. He will also be working with Brook to hold a Restaurant Week planning meeting after Winter Markt.

Hockman thanked Fehan for taking on the role of chair for the Gateway Signage committee. Markus praised the board for making Fehan a member emeritus as he still has so much to offer with his experience and history.

c. COMMITTEE REPORTS:

SPECIAL EVENTS – ASTREIN

Astrein reported that Santa Walk went very well. He said that his store had 200 giveaways and used them all. Appointments for Santa visits are fully booked. Brook mentioned the dinosaur would be giving away \$25 Birmingham Bucks gift cards on weekends through the holidays. Brook invited board members to the tree lighting at Winter Markt.

MARKETING & ADVERTISING - POHLOD

Pohlod shared that holiday video is completed and production of the Restaurant Week video has already begun. The holiday ad campaign summary that is included in the board packet shows how where the advertisements are placed.

The new dining, retail, and spa guides are completed and were distributed to businesses. The committee is working on a marketing plan for S. Old Woodward. This will include shoppers being able to earn Birmingham Bucks by making purchases in the construction area. They would then be able to spend the Birmingham Bucks wherever accepted. They are also looking into software that would help with cross branding as well as options for texting.

During construction, there is the possibility of valet, a touch-a-truck event, and painting the barricades. Markus suggested including people who are directly involved with the construction project in these early planning stages.

The marketing committee continues to work on affecting workforce attraction. They are considering holding a job fair in March.

MAINTENANCE/CAPITAL IMPROVEMENTS - QUINTAL

Quintal reported that, although they did not hold a meeting last month, Kammer worked with Worry Free to bring their price down. He added that he has been getting positive feedback on the lights in the downtown area.

They will work to update the snow removal map. There will not be complimentary holiday valet this year.

BUSINESS DEVELOPMENT - HOCKMAN

Hockman shared that Ciura is hard at work. There is good activity, but available space is becoming more limited. The committee discussed putting a focus on retention. They will also be examining the tenant mix. That will allow them to direct Ciura to put an emphasis on certain areas.

Quintal suggested that office space might need assistance. Hockman explained that Ciura's current contract is specific to retail. They may look at expanding or modifying her area of focus in the future.

EXECUTIVE BOARD REPORT - HOCKMAN

Hockman announced that Quintal would be stepping down from the chair position for the maintenance and capital committee. He thanked Quintal for his leadership. Markus commented that he could really see a difference from when he left Birmingham 10 years ago to when he recently returned and thanked Quintal for his role in that. He suggested the BSD remind city commissioners about all that they do and how the businesses help with the tax base.

Kammer added that he recently had the opportunity to explain the BSD structure to two of the new commissioners in their training session.

Hockman appointed Lipari to be the new chair of the maintenance and capital committee and Pohlod to be the vice chair.

MOTION: Motion by Markus, seconded by Astrein to approve the appointment of Lipari as chair and Pohlod as vice chair of the maintenance and capital improvements committee.

VOTE: Yeas, 10 Nays, 0 Absent, 2

d. PARKING REPORT - ASTREIN

Astrein reported having Weingartz coordinating the parking system is very helpful. Repairs are ongoing in the structures. The plan is to allocate an additional 425 parking places to monthly permits. The current waiting list is over 1,000 people. A current challenge is that many businesses who hold a large number of permits have not fully returned to having staff in the office.

The committee is exploring options to update the technology infrastructure to make it easier to enter and exit the structures.

The committee is also examining the fine system for expired meters as there are many repeat offenders and the \$10 fine does not seem to be enough to discourage them. Commander Albrecht is assisting with this.

Astrein said that, overall, he feels that things are going well. Hockman recognized Astrein's service to the parking advisory committee. He shared that Astrein is now the vice chair of the committee.

e. CHAMBER REPORT

There was no report from the Chamber.

f. COMMUNITY HOUSE REPORT

There was no report from The Community House.

6. APPROVAL OF VOUCHERS

MOTION: Motion by Astrein, seconded by Quintal to approve the vouchers, dated December 2, 2021.

VOTE: Yeas, 10 Nays, 0 Absent, 2

7. UNFINISHED BUSINESS

8. NEW BUSINESS

a. Approval – Sunbelt Rentals Contracts

MOTION: Motion by Astrein, seconded by Kay to approve the addendum to extend the contract with Sunbelt Rentals, Inc. to provide equipment, labor and supplies for electrical power and hookup services for Winter Markt.

VOTE: Yeas, 10 Nays, 0 Absent, 2

Kammer thanked the board for their work and wished them happy holidays. On behalf of the board, Hockman recognized and thanked the BSD staff for their exemplary work.

MEMORANDUM

DATE: January 27, 2022
TO: Birmingham Shopping District Board
FROM: Sean Kammer, Executive Director
SUBJECT: Executive Director's Report

Wayfinding and Gateway Signage Committee

The Gateway Signage Committee met on January 24. The commission requested that the Wayfinding Committee address the city's and BSD's branding in order to standardize on themes that will be reflected in the wayfinding and gateway signage. The committee selected a logo and theme at the most recent meeting. The next meeting is scheduled for Monday, February 7.

It is important that the community have a consistent brand and marketing image, although modifications to individuate organizations and city departments is recommended. As time has progressed, The BSD's branding has not only existed independently of the greater community, but has continued to diversify as new projects and programs have required additional materials. In an effort to reduce the risk of further atomization of branding materials, the wayfinding committee recommends that the BSD consider rebranding in coordination with the city.

Media Coverage

Executive Director was interviewed by the Eagle about the BSD's efforts to support small businesses. During this time, the media is very focused on national tenants coming to town. It is imperative that we share the spotlight with the small businesses that comprise the economic fabric of our downtown.

Special Assessments

Special assessment bills have been mailed.

ADMINISTRATION: Kammer, Comerford, McGaughey, Laird

2. Maps:

The committee has requested that staff generate maps to illustrate snow removal routes, flower basket placement, holiday lights installation, and other district improvements.

3. Worry Free planters:

Committee recommends that the final payment be made to Worry Free for the installation of the holiday decorations in the concrete planters. The committee reviewed a map of the placement of the planters and recommended that they be relocated to the 'triangle' district. Committee also discussed discontinuing the concrete planters in the future and finding an alternative use for them, including possibly auctioning them off for public art projects. The item will be referred to the Special Events Committee for discussion.

4. Holiday decorations update:

DPS informed committee that the holiday decorations typically come down after Restaurant Week.

5. Power washing contract:

DPS updated the committee on the new power washing contract with the city. There will be two rounds of power washing throughout the year, approximately scheduled around June 30 and then September 30. There is an optional third round which could be scheduled for spring or fall.

6. Valet:

Due to the current low demand for parking, the committee recommended against funding valet for the time being, but may be considered for construction period of S. Old Woodward.

2. Recruitment Activity

Kammer updated the committee on business recruitment efforts

- i. Lease negotiations for site at Maple and N. Old Woodward are ongoing.
- ii. Available space for retail is becoming scarce.
- iii. Due to CC Consulting representative being out for the holiday, no pipeline report was presented.

3. Retention Activity

Kammer stated that given that existing available space is becoming scarce, the BSD should shift focus to business retention activities. Kammer suggested that the committee also look at encouraging redevelopment of sites, and to align with the activities of the Triangle District's corridor improvement authority. The committee can also work on connecting with local developers and generating a list of potential sites for redevelopment.

Kammer indicated that CC consulting's contract with the BSD has a cap of \$75,000. Kammer was told that the BSD also pays CC Consulting insurance costs that are stipulated by the contract. Kammer inquired whether this cost should count toward CC Consulting's compensation. Committee requested that Kammer review the insurance certificates to see if they are specific to the BSD.

Committee would like to see programs developed around business retention. Committee recommended Kammer look into Shopify to help foster e-commerce platforms for small businesses. This would help businesses compete with large companies like Amazon, while also helping commerce during covid and the upcoming construction season.

4. Business Anniversaries

Due to the volume of business anniversaries, staff recommends that only the major anniversaries be recognized at board meetings. Anniversaries of 5-25 years could be handled by staff on an ongoing basis, consisting of site visits and social media posts. The committee accepted staff's recommendation. Based on this new schedule, the next proposed anniversary to be recognized will be the Birmingham 8 Theatre at the February board meeting.

5. Text My Gov Proposals

Committee supports the use of a service like Text My Gov, specifically for the construction of South Old Woodward. Committee asked Kammer to follow up with questions, such as whether a subscription could be less than one year and what the duration of the set up period is.

6. Business Mix Analysis

Kammer updated committee on ongoing efforts to create the database from which the business mix could be analyzed. Staff has spent significant time on this project, but it will be extremely useful moving forward. Committee recommended that the database use the same list of business categories as the pipeline report.

- 7.** Kammer informed the committee that the BSD will now have an ongoing column in Downtown Magazine. The first column is scheduled to be published for the February issue.
