BEACH BLVD

## Meet on Beach

On Sunday, November 17th, 2019, meet us on Beach Boulevard for a day filled with free fun for the whole family and experience connecting Buena Park with six other Orange County cities like never before. From the hills of La Habra, down to the ocean at Huntington Beach, enjoy 1.5 miles of open streets, bike and pedestrian friendly activities, live performances, food, giveaways and much more at seven pop-up sites along or nearby Beach Boulevard.

As part of the economic revitalization efforts of the Renew Beach Boulevard Coalition, this multi-city reimagining celebration will transform historic State Route 39 into a more walkable and bikeable active street for a day.

- Move more and eat healthy along the Coyote Creek Bikeway in La Habra
- Walk, bike, skate or scoot along 1.5 miles of car-free streets connecting Knott's Berry Farm's Independence Hall in Buena Park and the West Anaheim Youth Center
- Participate in hands-on workshops at Stanton's Walkable Streets Lab
- Ride the bike skills course with Garden Grove's Police Department
- Bike over to Westminster's Civic Center for active and healthy fun
- Cruise over to Huntington Beach's Party on the Beach

Meet on Beach is presented by Go Human and the Southern California Association of Governments; and produced by Community Arts Resources; in association with the cities of La Habra, Buena Park, Anaheim, Stanton, Garden Grove, Westminster, and Huntington Beach.

## Buena Park Homeless Navigation Center Breaks Ground

The ground breaking ceremony for construction of the Buena Park Homeless Navigation Center brought together a partnership of officials from cities, non-profits, the County of Orange and the State of California. Attendees gathered at the site bringing with them clothing and hygiene product donations.

The Buena Park Homeless Navigation Center, a product of the collaboration between the North Orange County Service Planning Area (North SPA) cities, will serve community members experiencing homelessness. The facility, being built with repurposed shipping containers, will provide 150 beds, housing and supportive case management, medical services, and a variety of resources.

"The Navigation Center will provide a safe place for homeless neighbors to seek shelter, be connected to services they need to move into permanent supportive housing, and become successful," Buena Park Mayor Arthur Brown said. "The commitment of our fellow cities to step up and address this regional crisis has demonstrated not only courage and leadership, but compassion towards our homeless neighbors."

The Center was first conceived in 2018 when the North SPA, comprised of the cities of Anaheim, Brea, Buena Park, Cypress, Fullerton, La Habra, La Palma, Orange, Placentia, Villa Park, Stanton and Yorba Linda began working together to find suitable locations for multiple shelters.

On November 7, 2018, the North SPA was awarded upwards of \$12 million in Homeless Emergency Aid Program (HEAP) funding from the State of California via the Orange County Continuum of Care Board. The Buena Park Navigation Center will be funded with \$6.4 million in HEAP funding as well as additional funding from participating North SPA cities. Operational costs will be funded by Senate Bill 2. The City of Placentia was awarded \$5.65 million in HEAP funds for a similar shelter.

Once completed, Mercy House will operate the 15,360 sq. ft. center. Larry Haynes, Executive Director of Mercy House, spoke directly to those the facility would serve. "We see this as a beacon of hope," said Haynes. "We cannot wait to serve you."

Construction will begin immediately and is scheduled to be completed early 2020.

## Rick Gomez to Be Honored at Memorial Grove Ceremony

### Ceremony and Tree Planting

**Saturday, September 21, 2019 at 10 a.m.**

**Southeast corner of Henry Boisseranc Park,  
7250 Dale St, Buena Park**

Since 1984, the Park and Recreation Commission of Buena Park has sponsored the Memorial Grove Ceremony at Boisseranc Park. This ceremony honors individuals who made significant contributions to the City through volunteerism, program development, or other acts of kindness or generosity before they passed.

This year, philanthropist Rick Gomez is being honored for his decades of commitment to the community. Rick lived his entire life in Buena Park where he and his wife, Roilene, raised their son Daniel and daughter Taylor. Rick first started volunteering for the City in 1991 as a Park and Recreation Commissioner. For 28 years, and until his recent passing, Rick was a devoted volunteer and leader. He also coached several teams in the City's P-Nut Baseball League and Flag Football Program, even after his children, Daniel and Taylor, grew too old to play in the program. His cheerful demeanor and enthusiastic energy contributed to the magnitude of requests to be placed on his team. Rick is also known for personally leaving an inspirational sign on each player's front porch the night before a big weekend tournament.

Please join us as we honor Rick's outstanding dedication to our community.

## New Voting Options Roll Out In 2020

Thanks to changes being made by the Registrar of Voters, casting your ballot will soon be faster, easier and more secure. As part of the Voters Choice Act (California Senate Bill 450) passed in 2016, several hassle-free voting options will be available next year to enhance the voter experience. Major changes include the addition of more than 200 Vote Centers throughout Orange County, secure ballot drop-off box locations, and a flexible voting schedule.

This is how it will work: One month prior to each election, every registered voter will receive an information packet and vote-by-mail ballot in the mail. The packet will include detailed information on the election, candidates, choices of where and how to vote, and more. Multiple benefits will be outlined so voters can plan when to cast their ballot to avoid lines and time restraints.

As a registered voter, you'll have one or more options that match your busy schedule:

**Visit** – Vote at any Vote Center location countywide beginning 10 days before election day. Open seven days per week, the Vote Center will feature electronic check-in and ballot system, disabled access voting, voter registration options, and personal customer service support and problem solving.

**Drop** – Drive through a ballot drop-off location or drop your ballot at any countywide Vote Center.

**Mail** – Return your ballot via the U.S. Post Office; no stamp required.

For more information on Orange County's future voting system, please visit

## New Electric Vehicle Charging Stations

The City of Buena Park continues to go green with the recent installation of two electric vehicle (EV) charging stations at the following locations:

- Buena Park Community Center located at 6688 Beach Blvd.
- Ehlers Event Center located at 8150 Knott Ave.

Both EV charging locations feature Level 2 and DC fast chargers. The stations are located in the front parking lot of each building and are available for use by the general public 24 hours a day, seven days a week. The charging fee is \$.25 per kWh and an additional \$1 per hour after three hours.

The new charging stations were funded with grants from the Clean Transportation Funding Program, the Mobile Source Air Pollution Reduction Review Committee, and the Southern California Incentive Project (SCIP) through the California Electric Vehicle Infrastructure Project (CALeVIP).

Need a Compressed Natural Gas (CNG) charging station? Park Waste and Recycling located at 6762 Stanton Ave., Buena Park, has a CNG charging station available in front of the building's truck terminal. It is available for public use 24/7.

## Join Us at the 2019 Veterans Honor Walk

**When:** Wednesday, November 6, 2019, from 5 – 6 p.m.

**Where:** Ehlers Event Center, 8150 Knott Ave., Buena Park

**Veterans:** Dinner will be provided to the first 100 veterans and guest who register

**General Public:** Free to the public (no registration required)

Please join us at this year's Veterans Honor Walk to pay tribute to all of the brave men and women who served in the military to protect our freedom. The City of Buena Park and the Buena Park Veterans of Foreign Wars Post 8954 host this free event each year to thank all of those who served, as well as provide an opportunity for the community to express their appreciation.

All veterans who served during combat and times of peace will be honored for their patriotism, love of country, and willingness to sacrifice for the freedom of others. This event features a guest speaker, candlelight ceremony, and a tribute to the 21 Fallen Warriors featured on our memorial. Dinner will be provided for the first 100 veterans and their guest who register for the event by calling **(714) 236-3870** or emailing [seniors@buenapark.com](mailto:seniors@buenapark.com).

What is Veterans Day? A federal holiday that was named Armistice Day in 1918 to commemorate the end of WWI. At that time, it honored only those who lost their lives in WWI, but was later amended and renamed in 1984 to honor American veterans of all wars. Today, Veterans Day is held on November 11 to recognize the heroism of all veterans who lost their lives, are retired, or no longer active in the military.

# Coyote Caution

With increased coyote activity and sightings, here are a few tips to help you stay prepared, safe, and informed.

**1.** ➤ Keep cats and small dogs indoors or in close presence of an adult

**2.** ➤ Remove potential food/water sources from your yard, such as fallen fruit, pet food, & standing water

**3.** ➤ Remind children to avoid areas with dense vegetation or brush
