

04-12-23 CPURC Minutes

Hybrid Meeting

Present: Tim, Angus, Destiny, Jeanne, abi

Public: Sally Simmons

The committee listened to Jeanne's and abi's presentation of their sections. Both will write something up to share at our next meeting. Destiny to write up draft housing language based on the latest decrees from the Governor's office for committee review.

Sally said the overuse of screening in the proposed draft was excessive and caused a great public outcry. She thanked us for our hard work.
