

Voluntary Title VI Public Involvement Survey
Dubois County, Indiana

As a recipient of federal funds, the Indiana Department of Transportation (INDOT) is requiring local agencies to develop a procedure for gathering statistical data regarding participants and beneficiaries of its federal-aid highway programs and activities (23 CRF § 200.9(b)(4)). Dubois County is distributing this voluntary survey to fulfill that requirement to gather information about the populations affected by proposed projects.

You are not required to complete this survey. Submittal of this information is voluntary. This form is a public document that Dubois County will use to monitor its programs and activities for compliance with Title VI and the Civil Rights Act of 1964, as amended and its related statutes and regulations.

If you have any questions regarding Dubois County's responsibilities under Title VI of the Civil Rights Act of 1964 or the Americans with Disabilities Act, please contact Brent Wendholt, Title VI and ADA Coordinator.

You may return the survey by folding it and placing it on the sign in table (in front of the engineer), by mailing it or e-mailing it to the addresses listed below.
