

How to locate Property Tax Information

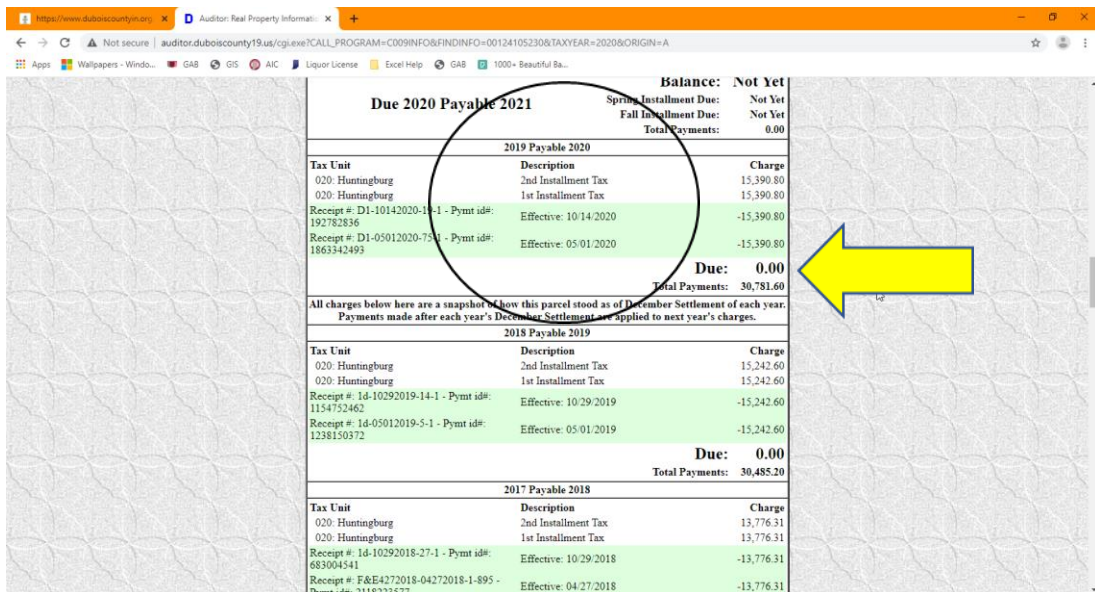

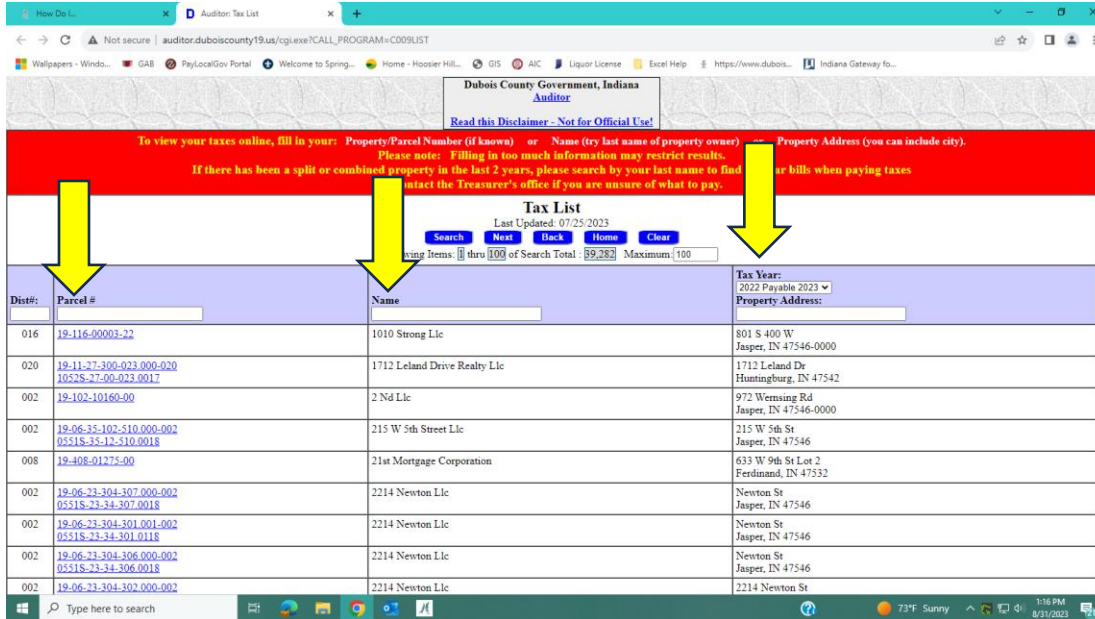

- Go to duboiscountyin.org
- Click on the “How Do I” dropdown box

- From the list in blue, click on “View Tax Statements”

- From this screen you can search for tax information three different ways. By Parcel #, name, and or property address.
- Then click on the parcel you are searching for. It will pull up a screen that you can scroll through to find any information you may need. (Special assessments will show up if the parcel has any)

For Example: You can see the circle shows payment dates and the arrow shows payment amount
