NOTICE

This permit becomes null and void if work is not commenced within three months or if construction of work is suspended or abandoned for a period of six months. It is valid for total construction period of twenty-four months only, after that a new permit must be obtained. Permits for demolition of a condemned building are only valid for sixty days. Permits issued as a result of a correction notice expire sixty days from the date of the notice and cannot be renewed. Contractors must have a current city business license to perform any work in the city limits, this includes both the general contractor and any subcontractors. Contractors must pay a two percent Business and Occupation tax on any jobs in the city limits. The permit fee is \$5.00 per thousand dollars of work.

I hereby certify that I have read and examined this application and know the same to be true and correct. All work will be performed in accordance with the state building code in affect at the time of construction by licensed professionals. The granting of a permit does not give authority to violate or cancel the provisions of any other state or local law regulating construction.
