Recommendations are to be brought back to the first meeting in January 2024. Commissioner Reedy seconded. Two (2) yes votes, motion carried.

Andrew Blanford and Bernie Hausberger from FPBH presented information regarding a sanitary sewer line project that will take place south of the interchange of US Hwy 50 and I-65. The project is to add a gravity sewer system in the area for longevity and less maintenance for the City of Seymour for years to come, also making changes for new developments. They are trying to get under bid by February/March of 2024 with the intention of the project to be completed by the summer of 2024.
