Professional Visitor Application

Professional Visitors are required to complete and submit this Application for Professional Visitation to be approved for both virtual and on-site visits with inmates in custody with the Manatee County Sheriff's Office. Professional Visitors must register an account with ViaPath/GTL at <https://manateefl.gtlvisitme.com/Visitation/app>. Upon submission of the completed application, PREA form, and two forms of identification, the account will then be reviewed for approval. This approval will allow both on-site and remote video visitation with the requested inmate. Manatee County Sheriff's Office visitation rules must be adhered to. Any violation of such rules will result in temporary suspension or loss of all professional visitation privileges. Manatee County Sheriff's Office Facility Supervisors or designee reserves the right to cancel, deny, or terminate a professional visitation without notice.

Please submit completed applications via email to: ProfessionalVisitors@manateesheriff.com

Non-Contact visits are conducted in the Professional Visit room. If documents are brought in and require signatures, a Deputy will pass the document over to the Inmate to sign and then will return it to the Visitor.

If you require a face-to-face contact visit with an Inmate (conducted in the Professional Visit room); it requires prior approval from a division Commander/Designee. Please arrive with ample time to check in at the Front Desk and for a Division Commander/Designee to be notified of your face-face visit request.
