Draft Roy City 5-Year Strategic Plan 2023-2028 Work Session Update

Mission Statement

- “Roy City exists to enhance the quality of life for all members of our community through planning, visionary leadership, and by providing the highest quality municipal services in an efficient, and courteous manner.”
 - ACTION: Recommended Changes / Additions to the Mission Statement:

Vision Statements

Community Image, Cohesiveness, and Pride

- Vision: Cultivate pride in our community by investing in measures to improve the physical appearance of our city, enhance recreational amenities, encourage volunteerism, and promote cultural services for residents.
 - ACTION: Recommended Changes / Additions to the Vision Statement:

Economic Development, Redevelopment, and Vitality

- Vision: Foster economic development in our city to enhance and increase the amenities available to our residents, provide a solid tax base for funding key community priorities and establish partnerships within our city and with community neighbors.
 - ACTION: Recommended Changes / Additions to the Vision Statement:

Public Infrastructure Maintenance and Capital Improvements

- Vision: Develop, fund, and execute a plan for ongoing maintenance / replacement of aging infrastructure and plan for enhanced infrastructure improvements.
 - ACTION: Recommended Changes / Additions to the Vision Statement:

Workforce Development and Operational Excellence

- Vision: Invest in the recruitment, development, and retention of a talented & committed workforce to improve services level for residents and businesses in our community.
 - ACTION: Recommended Changes / Additions to the Vision Statement:

Public Transportation Enhancements

- Vision: Improve traffic flow in the city through smart planning and partnership with State agencies and neighboring communities. Enhance active transportation opportunities.
- ACTION: Recommended Changes / Additions to the Vision Statement:

Environmental Stewardship

- Vision: Actively pursue, protect, and sustain environmental improvements for future generations, through awareness, conservation, pollution prevention and safeguarding biodiversity.
- ACTION: Recommended Changes / Additions to the Vision Statement:

Goals and Objectives

- **Community Image, Cohesiveness, and Pride**
 - Goal 1: Improve the Physical Appearance of the City
 - Objective 1: Beautification of major commercial corridors (Streetlights, curb, gutter, and sidewalk, etc.)
