## 10. OUTDOOR ENTERTAINMENT & FIREWORKS PERMITS SEDLEY EVENTS

A. FIREWORKS PERMIT – SEDLEY EVENTS

Attached herewith please find an application for a fireworks display permit by *Sedley Events*, requested pursuant to Section 10-73 of the Southampton County Code.

As many of you may recall, the Sedley Recreation Association planned and organized annual fireworks with tremendous community support on the 4th of July from 1991 to 2011. Among other things, changes in the state law beginning in 2011 made it much more difficult to organize a fireworks event and the annual tradition took a hiatus.

A new organization, *Sedley Events*, took up the cause in 2020 and restarted the tradition. They'd like to continue it again this year at their community celebration on July 3, 2021.

The application is in order and a draft permit is attached for your consideration.

# 2021 VIRGINIA PERMISSIBLE FIREWORKS

**State Fire Marshal's Office**
**Special Operations Section**

Glen Allen, Virginia 23059
Telephone: (804) 371-0220
Fax: (804) 371-3367
Website: www.vafire.gov

In accordance with Section §27-96.1 of the Code of Virginia, unless prohibited by a local ordinance, the provisions of the Statewide Fire Prevention Code pertaining to fireworks shall not apply to the sale of or to any person using, igniting, or exploding permissible fireworks on private property with the consent of the owner of such property.

The fireworks listed in this document have been field tested to compare the items to the performance criteria of the American Fireworks Standards Laboratory (AFSL) and are classified as "permissible fireworks" for purposes of applying and enforcing the Statewide Fire Prevention Code.

The requirements for the sale or use of other than permissible fireworks, including certification and permit requirements, can be found in Chapter 56 of the Statewide Fire Prevention Code (https://codes.iccsafe.org/content/document/1360/14583684).

CAUTION: Code of Virginia §27.97 allows local jurisdictions to adopt fire prevention regulations that are more restrictive or more extensive in scope than the Statewide Fire Prevention Code. Many local jurisdictions prohibit the use of ***all*** fireworks. Individuals should check with their city, county, or town to determine any local regulations.

Fireworks added to this list after **May 24, 2020**, will be shown in **BLUE** at the end of the list.

**Any questions about Virginia permissible fireworks should be directed to Billy Hux**

To Whom It May Concern:

I have reviewed the Sedley Events plan for parking and traffic control for the parade they have planned on July 3, 2021. The number of deputies requested and the streets they intend to block off is adequate and appropriate. The designated areas for parking also seem to be sufficient. I have no additional concerns regarding their traffic control and parking plan.

Sincerely,

Camden S. Cobb
Major
