FOR LAND-DISTURBING PROJECT**

Land Disturbing Permit No. \_\_\_\_\_  
Address \_\_\_\_\_  
Project Name: \_\_\_\_\_

In lieu of submission of an erosion and sediment control plan for the construction of this land-disturbing project, I/being the Responsible Party signed below agree to comply with Erosion and Sediment Control requirements administered by Southampton County, Community Development Office. Such requirements are based on the Southampton County Erosion and Sediment Control Ordinance and represent the Department of Environmental Quality minimum standard practices necessary to provide adequate control of erosion and sedimentation on/or during project operations.

The applicant understands that failure to comply with such requirements within seven working days following the notice to comply by the Southampton Community Development Office could result in citation for violation of the Southampton County Erosion and Sediment Control Ordinance.

Measures Specified by Plan Approving Authority:

- Install and maintain construction entrance and silt fence per Erosion and Sediment Control Handbook, 1992 edition
- Other: Construction of new single family home
