

Sec. 3794.01. Definitions.

As used in this chapter:

(A) "Smoking" means inhaling, exhaling, burning, or carrying any lighted ~~cigar, cigarette, pipe, or other lighted smoking device for burning tobacco or any other plant~~ or heated tobacco product or plant product intended for inhalation in any manner or in any form. "Smoking" includes the use of an electronic smoking device and a vapor product. "Smoking" does not include the burning of incense in a religious ceremony.

(B) "Public place" means an enclosed area to which the public is invited or in which the public is permitted and that is not a private residence.

(C) "Place of employment" means an enclosed area under the direct or indirect control of an employer that the employer's employees use for work or any other purpose, including but not limited to, offices, meeting rooms, sales, production and storage areas, restrooms, stairways, hallways, warehouses, garages, and vehicles. An enclosed area as described herein is a place of employment without regard to the time of day or the presence of employees.

(D) "Employee" means a person who is employed by an employer, or who contracts with an employer or third person to perform services for an employer, or who otherwise performs services for an employer for compensation or for no compensation.

(E) "Employer" means the state or any individual, business, association, political subdivision, or other public or private entity, including a nonprofit entity, that employs or contracts for or accepts the provision of services from one or more employees.

(F) "Enclosed Area" means an area with a roof or other overhead covering of any kind and walls or side coverings of any kind, regardless of the presence of openings for ingress and egress, on all sides or on all sides but one.

(G) "Proprietor" means an employer, owner, manager, operator, liquor permit holder, or person in charge or control of a public place or place of employment.

(H) "Retail tobacco store" means a retail establishment that derives more than eighty ~~percent~~ per cent of its gross revenue from the sale of ~~cigars, cigarettes, pipes, or other smoking devices for burning tobacco~~ lighted or heated tobacco products and related smoking accessories and in which the sale of other products is merely incidental. "Retail tobacco store" does not include a tobacco department or section of a larger commercial establishment or of any establishment with a liquor permit or of any restaurant.

(I) "Retail vapor store" means a retail establishment that derives more than eighty per cent of its gross revenue from the sale of vapor products, electronic smoking devices, or other electronic smoking product accessories and for which the sale of other products is merely incidental. "Retail vapor store" does not include a section of a larger commercial establishment or of an establishment with a liquor license or that is a restaurant.

(J) "Outdoor patio" means an area that is either: enclosed by a roof or other overhead covering and walls or side coverings on not more than two sides; or has no roof or other overhead covering regardless of the number of walls or other side coverings.

(K) "Vapor product" and "electronic smoking device" have the same meanings as in section 2927.02 of the Revised Code.

Sec. 3794.03. Areas where smoking is not regulated by this chapter. The following shall be exempt from the provisions of this chapter:

(A) Private residences, except during the hours of operation as a child care or adult care facility for compensation, during the hours of operation as a business by a person other than a person residing in the private residence, or during the hours of operation as a business, when employees of the business, who are not residents of the private residence or are not related to the owner, are present.

(B) Rooms for sleeping in hotels, motels and other lodging facilities designated as smoking rooms; provided, however, that not more than twenty per cent of sleeping rooms may be so designated.

(C) Family-owned and operated places of employment in which all employees are related to the owner, but only if the enclosed areas of the place of employment are not open to the public, are in a freestanding structure occupied solely by the place of employment, and smoke from the place of employment does not migrate into an enclosed area where smoking is prohibited under the provisions of this chapter.

(D) Any nursing home, as defined in division (A) of section 3721.10 of the Revised Code, but only to the extent necessary to comply with division (A)(18) of section 3721.13 of the Revised Code. If indoor smoking area is provided by a nursing home for residents of the nursing home, the designated indoor smoking area shall be separately enclosed and separately ventilated so that tobacco smoke does not enter, through entrances, windows, ventilation systems, or other means, any areas where smoking is otherwise prohibited under this chapter. Only residents of the nursing home may utilize the designated indoor smoking area for smoking. A nursing home may designate specific times when the indoor smoking area may be used for such purpose. No employee of a nursing home shall be required to accompany a resident into a designated indoor smoking area or perform services in such area when being used for smoking.

(E) Retail tobacco stores in operation prior to December 7, 2006. The retail tobacco store shall annually file with the department of health by the thirty-first day of January an affidavit stating the percentage of its gross income during the prior calendar year that was derived from the sale of cigars, cigarettes, pipes, or other smoking devices for smoking tobacco and related smoking accessories. Any retail tobacco store that begins operation after December 7, 2006, or any existing retail tobacco store that relocates to another location after December 7, 2006, may only qualify for this exemption if located in a freestanding structure occupied solely by the business and smoke from the business does not migrate into an enclosed area where smoking is prohibited under the provisions of this chapter.

(F) Outdoor patios. All outdoor patios shall be physically separated from an enclosed area. If windows or doors form any part of the partition between an enclosed area and the outdoor patio, the openings shall be closed to prevent the migration of smoke into the enclosed area. If windows or doors do not prevent the migration of smoke into the enclosed area, the outdoor patio shall be considered an extension of the enclosed area and subject to the prohibitions of this chapter.

(G) Private clubs as defined in division (B)(13) of section 4301.01 of the Revised Code, provided all of the following apply: the club has no employees; the club is organized as a not-for-profit entity; only members of the club are present in the club's building; no persons under the age of eighteen are present in the club's building; the club is located in a freestanding structure occupied solely by the club; smoke from the club does not migrate into an enclosed area where smoking is prohibited under the provisions of this chapter; and, if the club serves alcohol, it holds a valid D4 liquor permit.

(H) An enclosed space in a laboratory facility at an accredited college or university, when used solely and exclusively for clinical research activities by a person, organization, or other entity conducting institutional review board-approved scientific or medical research related to the health effects of smoking or the use of tobacco products. The enclosed space shall not be open to the public and shall be designed to minimize exposure of nonsmokers to smoke. The program administrator shall annually file a notice of new research with the department of health on a form prescribed by the department.

(I) A retail vapor store, insofar as the provisions of this chapter apply to smoking via vapor products and electronic smoking devices. The provisions of this chapter apply to retail vapor stores with regard to all other forms of smoking. The retail vapor store shall annually file with the department of health by the thirty-first day of January an affidavit stating the percentage of its gross income during the prior calendar year that was derived from the sale of vapor products, electronic smoking devices, or other electronic smoking product accessories.
