Meet Jessica Halter, Our New Publications Assistant/Clerk

The newsletter is now put together by Jessica Halter, who joined the law library staff in December. Jessica also fills in at the front desk, so she may greet you when you walk into the library or call.

She has worked at Kent State Stark Campus Library and Massillon Public Library during the last ten years, and looks forward to assisting law library users. Get to know Jessica a little better from her responses to the following questions.

How did you begin working in libraries?

I began in libraries as a teen volunteer to gain job experience. Later, I would become a page and worked my way up to a librarian.

Why did you decide to get a library science degree?

I decided I wanted to work in a field that helps the community, but I

wanted a job where you could also be creative, and I found out working in libraries filled both of those requirements. My job has always brought me satisfaction and that was another reason behind getting my master's in library science.

Who is one of your favorite authors? *One of my favorite authors is Joyce Carol Oates.*

Do you have a favorite law-related movie or TV show? *Yes, I love SVU Law & Order. I had seen every episode, but lately have not had the time to watch it. My son keeps me too busy!*

At what spot in Stark County do you enjoy spending time? *I enjoy going to Memorial Park in Hartville. It is a nice quiet spot that's great for reading, walking, or for the kids to play on the playground.*
